How do I get paid?

For eligible referrals, as long as you have reached the minimum (\$250), payments will be sent out once a month. After you reach the \$250 threshold, we will notify you using the email address associated with your developer account and give you further instructions in order to create an invoice. If you haven't yet reached the \$250 threshold, we will keep track of how much you've earned and complete your payment once you've reached the threshold.

对于达标的推荐，只要你达到了最低限额（\$250），每个月会有一次奖励的支付。在你达到\$250的最低值之后，我们会通过开发者账户中的email地址提醒你，并且会给你进一步的引导来创建一张发票。如果你还没有达到\$250的最低值，我们会一直追踪你的奖励金额，一旦你的奖励金额达到最低限额，我们就会支付你的相关奖励。

Otherwise, we will pay you once you've hit the minimum. Note that the payment will be sent to the individual who registers as a developer and agrees to the [API Terms of Use](#).
